EAGLE NEWS

CONGRATULATIONS TO ALL &
THANK YOU FOR A GREAT SEASON OF HOCKEY!

Words from the Director

I would like to take an opportunity to say Thank You for your contribution to the SMHA Season. Your commitment and dedication to these young boys and girls does not go unnoticed. Thanks again to Chris Green, all the Coaches, Managers, Board Members, Volunteers & Families your time and efforts are much appreciated by everyone.

To the players, on behalf of The Advantage Hockey Group we have really enjoyed working with you again this season; building relationships and helping you. We look forward to working with you again through your development.

Sincerely,

Jeff Eaton

Jeff Eaton - Director of Hockey, SMHA

SPRING DEVELOPMENT & COVID-19

In light of the ongoing developments resulting from coronavirus, and recent announcement of closures to Brennan Park, the Squamish Minor Hockey Association and Advantage Hockey regretfully cancel the 2020 Spring Development program.

The ongoing health and safety within our community is the most important consideration through this difficult decision, while it is disappointing, we feel it is the best course of action due to the situation of COVID-19.

We ask for your understanding and patience during this unprecedented time as we work through the logistics of cancellation. We will provide refunds to all participants impacted by this cancellation. You can expect to receive an email with details of your account and refund to your credit card within the next 5 - 7 business days. Please note, the eventbrite fees already paid are nonrefundable.

We want to thank you for your cooperation and understanding during this time.

Thank you and please stay safe.

SPRING DEVELOPMENT

As the Spring Season is upon us, we continue to monitor the evolving impacts of coronavirus (COVID-19) from all angles. Without question, our top priority is the health and wellbeing of our members and community. We are closely monitoring the statements and will follow the guidance and recommendations from local, provincial and federal health agencies on COVID-19.

It is our intention to proceed with Spring Development as scheduled, and operate according with the most updated guidance and precautions from health officials.

This means there could be additional precautions taken that could impact our Spring operations such as postponed sessions. We will keep everyone up to date with the ongoing and status of COVID-19 and how it impacts the Spring Development Program.

At this time, we are still accepting registrations; please see the list and links for registration below.
