## EXCITING ANNOUNCEMENT FOR 2019/2020

SMHA is thrilled to announce the revitalisation of our growing association for the 2019/2020 season. With the need to update our uniforms, an increase in registrations of over 10% this season alone, and that one of our rivals within the lower mainland has exactly the same logo, SMHA believes that the time for rebranding and revitalisation is now.

Through the generous support of a grant from the Squamish Arts Council, SMHA is collaborating with born and raised Squamish Nation artist, Cory Douglas to create our logo as a piece of traditional Squamish Nation art. This new logo design will be unveiled with new uniforms for the entire association for the 2019/2020 season, reflecting our history, our environment and our future.

All monies raised from Rogers Hometown Hockey will launch the corporate sponsorship initiative to support this exciting new chapter for SMHA.

Sincerely,

Emma Moses  
President, SMHA
