EAGLE NEWS

Summer Greetings,

I trust everyone is doing well, keeping safe and enjoying their Summer. As we move into August and thinking about getting back to hockey, I would like to share some important information;

SMHA Board

I would like to thank our outgoing board members Craig Dickau, Jenn Vanzella and Meg Marrow for their dedication and countless hours in making last season a success. They have been a pleasure to work with and all continue to volunteer within our Association in some way or another, this we are grateful for.

In addition, I would like to welcome Kim Clunk, Andrew Slater and Jen Va Dam Reed as new board members and say thank you for acquiring their respective roles. I am excited to work with our incoming as well as returning members Scott Macdonald, Sharel Hughes, Bryan Evans, Shannon Brooks and Kyle Lang.

Return to Play

We are currently working through a Return to Play plan and hope to have it ready in the coming weeks. Things will look a little different upon our return to ice with the ongoing Covid-19 pandemic, we are working to ensure a well-structured plan is in place prior to the start of season. The health and safety of our members is essential in designing this plan, we are working with Brennan Park and the District of Squamish to create and implement a safe and smooth return to play. Any members who have experience or expertise in the field and believe they could be of help in creating the best possible plan, feel free to contact me.

Sea to Sky Zone Program

SMHA and WMHA plan to move forward with the Sea to Sky Bears Zone program for the upcoming season. PCAHA has provided their support for the program and BC Hockey will be making an announcement in the coming days.

2020-21 Committees

We are looking to form a number of committees this season to create more involvement, member input as well to help lessen the workload of board members. If you are interested in working on a committee please contact me at chris.green.smha@gmail.com. The Board will assign members to committees based on the number of interested people, expertise|skill set and where help is needed most.

While the 2020-21 season may be a little different especially to start, we are looking forward to making it a fun and successful one.

Sincerely,

Chris Green
SMHA President
