DEFINITIONS OF POLICIES & PROCEDURES

A "policy" is defined as a principle adopted by an association to guide present and future decisions and/or a course of action.

A "procedure" is defined as a series of steps followed in a regular order, developed to put policy into practice.

Thus, the purpose of policies and procedures is to

1. Provide continuity in the delivery of programs and services to the members of the Association
2. Empower the Executive and appointees of the Association to make decisions that will positively affect the long-term growth of the sport and clarify the position of the Executive.

SQUAMISH MINOR HOCKEY MISSION STATEMENT

It is the purpose of this Policy Handbook to provide assistance, direction and information to all those who are responsible for the operating needs of minor hockey teams in the Squamish Minor Hockey Association (SMHA); provide continuity in the delivery of programs and services to the members of the Association; empower the Executive and appointees of the Association to make decisions that will positively affect the long term growth of the sport; and clarify the position of the Association.

SMHA is a non-profit recreational sport society incorporated under the British Columbia Societies Act. SMHA is responsible for all minor hockey activities within the boundaries established by the Pacific Coast Amateur Hockey Association (PCAHA). SMHA is responsible to and receives its mandate from the PCAHA, which in turn receives its authority Hockey Canada through BC Hockey.

All players will be placed on teams at playing levels that are commensurate with each player's age, playing skills and experience. Every effort will be made to ensure this is achieved as fairly as possible.

A player is registered when:

1. A completed registration form has been filed with the registrar of the Association and registration fees have been paid.
2. Registration may be rescinded if fees are not paid in full by September 30th of the season, or alternate arrangements have not been made with the Registrar.
3. Any player failing to return appropriate forms and fees before the deadline given in the pre-registration email shall be deemed as not returning and will not have a place reserved for them.

4. If a player is applying for financial assistance under any number of sport grant funding, a confirmation of application for said grant must accompany their registration.

If the request is for medical reasons, a Dr.'s note is required. (The Board of Directors may consider other valid reasons.)

****Rep fees must be paid in full by October 30th or the player will not be allowed to play. NO EXCEPTIONS. There is no financial aid available for SMHA Rep programs.**

Players who reside in the District of Squamish will be given priority registration and placement on a SMHA team in all situations, until a player has been placed on a team, once placed all players are treated in the same manner for the balance of the playing year.

III. PROGRAM GUIDELINES

At all times the Fair Play Codes (pg 32) will be in effect.

IV. FEES

The fee structure of SMHA is philosophically to cover each program's yearly cost without deficit or surplus.

Surplus funds are kept in contingency for a possible unplanned event which would cause the association to expend extra ordinary funds. Examples are strike or ice unavailability.

Annual player fees are based on calculations of individual cost per scheduled minutes of ice time used and include

- Ice rental fees for games & practices
- Officiating fees
- **PCAHA** fees
- BC Hockey & Hockey Canada fees
- Uniforms & socks
- Administrative costs
- Coach, Manager & Team officials' certifications and training

- Costs for members of the Board of Directors to attend BC Hockey AGM

The Rep Fee does not cover additional team fees that are used to pay for things such as tournament entry fees or dryland training costs. Nor does it include paid coaches' fees.

SMHA Board of Directors can consider requests for financial assistance based upon the following:

- Written requests stating the circumstances and amount requested
- Assistance is limited to participants of House programs as the focus of assistance fund is to facilitate basic access to hockey

COMPETITIVE - REP (A)

A. Introduction

SMHA participates in the rep hockey program of the PCAHA, BC Hockey and Hockey Canada. SMHA rep hockey is governed by the rules and regulations of these organizations.

Rep hockey brings together dedicated, skilled players and dedicated, experienced coaches to form teams to play against the best hockey players and coaches from other associations. Rep teams play in a league that permits players to compete against players of similar ability.

B. Mission Statement

To challenge, motivate, teach and inspire every Rep Hockey player to strive towards their maximum potential by providing them with a well-defined and structured program. To give each and every player the opportunity to be the best they can be by having an organization that is committed to professionalism, integrity, respect and sportsmanship.

C. Vision and Value Proposition

1. The strategic vision and value proposition of the SMHA Rep program was developed to support the organization's Rep hockey mission statement. The SMHA will continuously evaluate all aspects of the Rep program in order to identify areas for improvement and to capitalize on available opportunities. The SMHA Board of Directors will strive to ensure that the organization:

- Provides high quality coaching
- Provides the best in skill development and power skating.
- Provides players with a platform to learn and grow in the game of hockey and as individuals.
- Instills our core values.

D. Core Values

The SMHA will provide an opportunity for players to compete at their highest level. Maximizing a player's individual potential is dependent upon several factors outside the rink. Therefore, it is incumbent upon every Rep coach to assist each player with his or her individual efforts in taking responsibility for their personal development, and to help build a solid foundation for lifelong success. Creating awareness and internalizing the core values of the SMHA will provide players with a toolbox full of practical values that enable them to collect experiences, build self-confidence and expand their horizons while opening doors to future opportunities. Core values are:

- Sportsmanship – Showing respect for yourself, your teammates, your coach, your opponents, and the officials. Winning and losing as a team with dignity

and class.

- Commitment –To yourself, your team and the organization to always put forward your best effort and to continue to improve at all times.
- Teamwork – Recognizing that you are part of a team that can only succeed as a team.
- Enthusiasm – Bringing enthusiasm and passion with you at all times in an effort to be the best you can be.

E. Commitment

Rep teams will only succeed where players and coaches are committed to the Core Values of the Rep program. Rep hockey is a competitive program that is designed with the goal of achieving the highest level of hockey possible. The rep program is built on commitment and dedication. Participation in rep hockey requires a significant commitment from coaches, parents and players.

Coaching Staff

- Rep coaches will have all necessary qualifications and experience in order to provide effective guidance and hockey knowledge to the team.
- Rep coaches will display the time commitment that is required of the program. With the exception of certain personal or work matters, the coach will maintain a perfect attendance record for all practices, games, tournaments and team social functions.
- Rep coaches will be expected to arrive at the rink at the same time that is expected of the players (e.g.1 hour before games).
- Rep coaches will have a well-defined annual plan for the team, which shall be reviewed with the Director of Hockey Operations not later than September 15.
- Rep coaches will come fully prepared to each practice and game.
- Rep coaches (and managers) will provide a schedule of events (games, practices, tournaments, and other hockey functions) planned so that players and parents can schedule this hockey commitment around work, family/social functions and school. To the extent possible, a general schedule of practice, home game and other regularly schedule events, as well as an indication of tournaments that the team will participate in, should be provided before players are asked to commit to the team, and as the year goes by, schedules for upcoming events should be provided to players and parents as soon as they are known.
- Rep coaches will follow the structure laid out by the SMHA Board of Directors.

Players

- Unless there is an extenuating circumstance, players are expected to be available for all practices, games, training, tournaments (including out of town tournaments) and social functions.
- In order to be a team member of a Rep hockey team, the players must be prepared to make a commitment often at the expense of **high school hockey, spring hockey, other sporting endeavors**, free time and/or social events.
- If a player is also planning to be involved in another sport or school activity that will inhibit their ability to fully commit to the SMHA Rep team, then the player must make this known during the try-out process. The Selection Committee, including the Rep coach (providing they are a non-parent coach) will most certainly factor this other commitment into the decision-making process when finalizing the selection for the team.
- Players will be expected to maintain a high level of fitness such that he/she will be able to compete at the level required of an elite hockey program and avoid injury.
- Players will be expected to give a 100% effort to all the Rep hockey endeavors (practices, games and other training).
- Players will adhere to the SMHA dress code applicable to their team.
- The SMHA strives to achieve a great reputation within our community and among other associations for being well behaved and respectful when participating in games and tournaments. Let's work together to establish this reputation for years to come.

Parents

- Given that the majority of minor hockey players require transportation from their parents to all the Rep hockey events, parents will be expected to agree to the player expectations above.
- Parents will support and encourage the commitment that the Players have made.
- If a player will miss a scheduled Rep hockey event, the parents will ensure that the coach (or manager) is notified in advance.

The expectations set out in this policy are in addition to the basic coach, player and parent codes of conduct that apply to all SMHA coaches, players and parents.

Although the expectations of Rep hockey players and families are quite demanding,

they are necessary in order to be fair to the coaching staff and other teammates who are willing to make a similar commitment. Therefore, it is important that these expectations are understood and agreed to early on so as to avoid issues later in the season.

Failure to honour the commitment level as laid out by the SMHA Rep Hockey Program will result in disciplinary action at the discretion of the coach. If the coach feels a suspension longer than one game is required, the coach shall seek approval of such suspension in accordance with SMHA policies.

Coaches shall notify the VP Rep of any disciplinary action taken for breach of the commitment policy, and the VP Rep shall maintain a record with respect to each player who is disciplined. Should a player who has been disciplined for more than one breach of the commitment policy try out for a Rep hockey team in a subsequent year, the VP Rep shall advise the coaches for the level at which that player is trying out, of the player's past record.

Playing Rep hockey is a privilege, not a right, for the skilled hockey player. Playing Rep hockey can be an incredibly rewarding experience since it allows participation in an activity at the highest level available. This being said, it is not skill alone that dictates who will be selected and able to participate in the Rep hockey program. If players and/or parents are unable or unwilling to make the commitment necessary, then another player will likely be chosen to play on the Rep team who is willing to make the required commitment.

It is important, in order to avoid misunderstandings with respect to required commitment, to properly articulate the expectations of the Rep hockey program at the outset. Before being rostered with a rep team, it is expected that each coach and player and the parents of each player will sign a document confirming their commitment to the principles outlined above.

F. Rep Fees

Rep hockey of necessity involves additional expenses for additional games and practice ice, tournaments, travel and miscellaneous expenses such as team apparel. Players on rep teams will be expected to pay a rep fee to the SMHA, which will cover only a portion of these additional expenses, as well as to make additional contributions to team funds to cover a proportionate share of these expenses.

G. Dress Code

For all Rep Teams, the Dress Code consists of:

- Dress Shoes
- Dress Pants
- Dress Shirt
- Rep Association Jacket

- For the above-noted teams, SMHA tracksuits with athletic shoes and other SMHA Rep approved clothing package may be worn instead, at the discretion of the coach.

H. Numbers of Rep Teams

The number of SMHA rep teams will be decided before the start of each hockey season by the SMHA Board of Directors based upon the availability of both players and ice times.

J. Affiliate Players

An affiliate player is defined as a registered player who is temporarily included on the playing roster of a team in a higher division or category within the SMHA. Each rep team should strive to affiliate numerous rep players, subject to the maximum limits prescribed by the PCAHA Rules. Every rep coach and manager should carefully review section C 34, C35, and C38 of the PCAHA Rules prior to the start of the season (or, in the case of U11 A coaches, sections C27 through C30).

Each rep team should strive to affiliate 10 skaters and two goalies.

Each rep team shall strive to affiliate 5 skaters and one goalie by October 15 of each year. The affiliate list should be increased to the minimum set out above not later than December 31 of each year.

The VP of Rep Hockey shall coordinate the assignment of affiliate players to rep teams in order to ensure that (a) the PCAHA Rules are followed, (b) each team has appropriate levels of affiliate players, and (c) players are given an adequate opportunity to become affiliates of teams for which they are suited.

Before a player is rostered as an affiliate:

- the coach or manager shall confirm with that player or player's family that he or she is willing to be affiliated to that team; and
- the affiliation shall be approved by the Vice President of Rep Hockey.

****Rep Fees must be paid in full by Oct 30th or the player will not be allowed to play. NO EXCEPTIONS.**

COACH SELECTION

The Coaching Committee interviews perspective coaches and makes recommendations to the Board of Directors. The Board then selects rep coaches. The Coaching Committee is comprised of the Director of Hockey Operations, VP of Rep Hockey and two additional SMHA members as selected by the Board of Directors. In the event a member applies for a coaching position, they will not take part in the selection process.

VI. REP TRYOUTS

A. Introduction

The rep player selection process by its nature dictates, not all applicants will be selected. This may be a stressful time, not only for the players and their parents, but also for the coaches and other volunteers who each year must co-ordinate this facet of our association's program. The goal of this policy is to help all participants understand the process, as well as their individual rights and responsibilities.

B. Registration for Rep Tryouts

Players wanting to attend rep tryouts must indicate this on their registration documents. Any player who decides to participate in rep tryouts after registering shall contact the SMHA Registrar seeking to amend his or her registration documents not later than 4:00 pm on August 15. Whether such request can be accommodated will depend upon availability of space at the time the request is made.

A player registering for rep tryouts must elect to tryout for either goalie or skater. Those who elect to tryout as skaters in the U13, U15 or U18 divisions will be asked to further indicate a preference to play either forward or defense. A player will be assessed based on their position preference until practice groups are formed, where

coaches may ask a player to play forward or defense depending on the needs of their team.

Before participating in the rep tryout sessions, players must be fully registered with the SMHA, have paid all required fees, and have met all requirements of the PCAHA, BC Hockey, Hockey Canada and the IIHF in order to play rep hockey with the SMHA.

Players who have not completed the requirements in this section will not be allowed on the ice for a rep tryout session.

C. General Procedures

Rep tryouts consist of several on-ice sessions that evaluate the players' skills and abilities.

A schedule for the rep tryout sessions will be prepared following the close of the registration period (August 15) each year and will be posted online to the SMHA website. Email notifications will be sent to all players who have registered for Rep tryouts.

In preparation for tryouts, the SMHA Registrar will prepare lists of all those who applied for rep hockey (by division) and will provide that list to the VP of Rep Hockey. Players will be divided into groups within each age division of approximately equal size for the initial evaluation session.

Following the initial assessment sessions, players will be divided into tiered groups for the remainder of ice sessions, players will be evaluated within their group to determine player movements from one stage to the next.

At the start of each tryout session, each player will be issued a numbered jersey for identification during rep tryouts. Jersey numbers will be assigned to each player by the VP of Rep Hockey.

A Selection Committee shall oversee the evaluation of all players prior to the formation of Practice Groups. The committee will be comprised of a minimum, one external evaluator with no other connection to SMHA, the Director of Hockey Operations, the VP Rep, the non-parent Head Coaches, and the potential parent coaches who may be assigned as Head Coaches at the completion of the tryout process. Coaches will only participate in evaluations of the age division they will be coaching in with the potential exception of a coach who is also Association staff.

D. Attendance at Rep Tryouts

All players trying out for rep hockey must attend all rep tryouts applicable to the player, which usually are scheduled to commence approximately the week after Labour Day.

Players who do not attend all applicable tryouts will forfeit their opportunity to play rep hockey for that season and will immediately be registered for C level hockey within their division except as provided in this section.

A player who has registered for rep hockey but is unable to attend a rep tryout session due to sickness or injury must provide, not later than 2 hours prior to their next scheduled ice session, a letter from a physician confirming this. In such circumstances:

- If the player's injury prevents the player from completing the tryout process, the player will be assessed by the rep coaches for that division, and the VP of Rep Hockey after the earliest medical approval date, provided it is prior to the final ice session scheduled before final team assignments are determined.
- A rep coach may hold a position on his or her team if he or she is positive that the player, as shown from his or her past history, would make the team. This must be approved by the VP of Rep Hockey, based on input from all the rep coaches within the division.
- A position may only be held for an injured player if the player has a doctor's certificate indicating the player is expected to return to play hockey by October 31 of the current season.
- If a position is held for an injured player, the player must pay the applicable rep tryout fees prior to playing with the team.
- If a position is held for an injured player, the player must attend all team functions (ice sessions, meetings, etc.) even though they cannot participate on ice. They may be asked to assist the team in other manners and must agree to do so.

A player who has registered for rep hockey but is unable to attend a rep tryout session due to work related obligations must provide to the VP of Rep Hockey, in advance of the session to be missed, a letter from that player's employer. If work-related obligations require a player to miss more than one session, the continued participation of that player in the rep tryout sessions shall be at the discretion of the VP of Rep Hockey.

A player who has registered for rep hockey at the U18 or U21 level may miss a rep tryout session due to conflicting attendances with major midget or junior team tryouts but is required to notify the association a minimum of 2 hours prior to the ice time.

A player who has registered for rep hockey but is unable to attend a rep tryout session due to exceptional personal circumstances must seek permission in advance of the session to be missed by way of a letter (which includes email) addressed to the VP of Rep Hockey. The VP of Rep Hockey shall determine whether to approve the request.

A player may only attend Rep Tryout Sessions they have been assigned to.

E. Procedure at Rep Tryout Sessions

The plans for the on-ice sessions will be designed by the Director of Hockey Operations in consultation with the evaluators. The plans may incorporate various combinations of hockey drills as well as scrimmages in order to allow the coaches to appropriately assess the players. If approved by the SMHA Board of Directors, the plans may also incorporate a skill assessment provided by an independent third-party provider. Later in the process, exhibition games will also be used as rep tryout sessions.

The SMHA Director of Hockey Operations will ensure that there are qualified coaches overseeing all rep tryout sessions.

Players must wear all protective equipment, including a CHA approved neck guard, during tryouts. Any player found not wearing all of the required protective equipment must be sent off the ice and must not be permitted to return until he/she has put on the missing approved equipment.

Players must wear their assigned rep tryout jersey during all on-ice sessions.

The VP of Rep Hockey will endeavor to set up a viewing area in such a manner as to discourage contact or discussion between parents or players and those evaluating the players. During evaluation sessions, a "Player Evaluator Only" area will be in place at Brennan Park Arena. Evaluators will maintain separation from each other during the ice sessions and will submit their rankings prior to having any discussions about the evaluations.

It is extremely important during the evaluation that rep coaches and others involved in evaluating the players be neutral in their public comments and actions to avoid misunderstandings with players or parents. They should only discuss player evaluations with other rep coaches, the VP of Rep Hockey, and any independent evaluators. Potential Parent coaches should not discuss player evaluations with their own children or family members under any circumstance.

F. Evaluation and Selection Criteria

The goal of the Rep Selection Policy is to fairly and consistently evaluate players for the purpose of selecting players to represent SMHA in the Rep Hockey Program. SMHA will strive to utilize non parent independent evaluators when possible.

Player shall be assessed based on their performance in the rep tryout sessions, based on:

- Skating
- Passing / Receiving
- Puck Control
- Positional Play
- Scoring / Shooting
- Checking
- Teamwork
- Competitiveness
- Hockey Sense
- Attitude
- Desire and Work Ethic
- Coachability
- Conduct on and off the ice
- Sportsmanship
- Fitness

In an effort to develop the rep program, the rep coaches in forming teams shall endeavor to have, overall, at least 33% first year players at each of the U11, U13 and U15 levels, and at least 25% first year players at the U18 level. Any deviation from these ratios shall be subject to the approval of the VP of Rep Hockey. These first-year player numbers may be reduced if there is an A2 team in a division.

G. Evaluation Process – Conflicts of Interest

Notwithstanding anything said below with respect to the evaluation process, under no circumstances will a rep coach be involved in the evaluation of his or her own child. At no time in any stage of the selection process will a parent coach be involved in a selection conversation concerning their child. They will be required to leave the room when their child is being discussed. SMHA endeavors to have paid non-parent coaches on rep teams where possible. When a parent is chosen to coach a team they will not be selected until it has been determined that their child will make the team.

In the event the VP of Rep Hockey has a child trying out for a rep team, an alternate Board Member will be assigned to oversee that age division(s).

No parent, friend or relative of a player participating in the rep tryout process shall offer any sponsorship, financial incentive or other benefit to a team or to the coach of a team in connection with or during the tryout process.

H. Team Selection Process

All players will participate in a minimum of 2 ice sessions during the evaluation process: these will include an on-ice assessment, skills practice and internal scrimmages. For players assigned to a practice group, they should expect to have a minimum of three additional ice times consisting of practices, internal scrimmages and external exhibition games.

Throughout the process, player assignments will occur based on players' performances. Following the initial evaluation of ice sessions, players will continue onto practice groups and the rep selection process or be assigned to the C division for placement.

Phase 1 – Players assigned to practice groups will participate in two intra-group scrimmages, after which the coaches will be required to select the following total number of players to move to the next stage. These numbers will be determined each season by the VP of Rep Hockey based upon final registration numbers, however the target will be:

A1 pool = 18 skaters and 3 goaltenders

A2 pool = 15 skaters and 2 goaltenders

Phase 2 – Coaches will be responsible for arranging a minimum of two exhibition games during this period. This will be their opportunity to assess a small group to identify their final selections for the season.

Coaches may choose to not dress all skaters; however, no player should sit more than

one game.

Following the exhibition games, the Rep Selection Committee and Coaches (where appropriate) will make the final selections and create final rosters.

Communication to Players

During the entire Rep Selection Process, all communication regarding player assignments will occur via the SMHA website and/or email.

Individual emails will be sent to all participants within 24 hours of the final Rep selection ice time to inform players of their final team assignments.

Decision deadline

Final assignments will be confirmed no later than three (3) weeks following the start of the tryout process.

- The recreational program relies on the rep program to release players to the recreational program in time to allow those players to be placed on recreational teams with minimal impact to the balancing process. Any variation in any of the deadlines above, must be approved in advance by the VP of Rep Hockey. Any variation in the deadline provided for final releases to the recreational program must also be approved by the Director for that division.
- If a team has not made its final releases by the deadlines noted above, or any extension granted to those deadlines, then the VP of Rep Hockey may make releases in order to bring the team to the approved roster size.
- Each head coach (or, if applicable, the Rep Selection Committee) shall forthwith upon releasing a player (either to a different rep pool or to the recreational program) notify the following persons of the names of the released players: VP of Rep Hockey, Division Director, and other rep coaches for that division.

I. Rostering

Rosters for all rep teams shall be submitted to the SMHA Registrar within 48 hours of the deadlines noted above for final releases.

No player will be rostered with a rep team unless and until the appropriate rep fees have been paid. A player who has failed to pay the rep fee after being asked to do so shall not practice or play with that rep team. In the event that non-payment continues for seven days following written notice of such failure to the parent or guardian of that player, the player shall be immediately assigned to a recreational team.

No player will be rostered with a rep team until that player has submitted a signed commitment policy document, signed Player Code of Conduct and signed Parent Code of Conduct

No release can be made after teams have been rostered without the permission of the VP of Rep Hockey. After this date, coaches are expected to make a commitment to work with each member of their team.

J. Self-Release

Decisions are made as to the numbers, sizes and composition of rep teams (and also of recreational teams) based on the number of players who have registered. Players who participate in rep tryouts, then leave the rep program, can cause significant difficulties to both the rep and recreational programs. As a result, the following restrictions have been imposed to minimize these situations:

Any player who self-releases and from the rep program, or leaves the SMHA, after commencement of the fourth rep tryout session will not be entitled to be an Affiliate Player (AP) for the current season.

K. Appeals

A player may appeal his/her release from a rep team. Any such appeal must:

- be made by notice given to the VP of Rep Hockey and/or the President;
- be given within 48 hours of the communication in which the release was communicated;
- Be in writing, email is acceptable (verbal appeals will not be accepted); and
- clearly state the reasons for the appeal.

Such appeal may only be made on one of the following grounds:

- the decision under appeal was influenced by bias;
- irregularities in the process leading up to the original decision are such that an unjust result may have resulted; or
- the decision was patently unreasonable.

The notice shall be referred forthwith to the President who shall appoint three persons to constitute a review panel (the "Panel"). The Panel shall be comprised of persons with no significant relationship with the appellant, who were not involved in the decision being reviewed, and who are free from bias or conflict.

The Panel shall consider the information contained in the notice of appeal, speak with the rep coaches for the division and the VP of Rep Hockey, review the Selection Committee rankings from the initial tryout sessions and any independent third party skills assessment, as well to provide the appellant with an opportunity to make any further submissions.

The Panel shall consider whether any of the grounds of appeal noted above have been established and, if so, what an appropriate remedy might be, and shall render their decision within 72 hours of being appointed.

VII. PLAYER MOVEMENT

1. Permanent Movement

- a. All player movement during the season must be in accordance with BC Hockey and PCAHA guidelines.
- b. Any permanent player movement within a division between teams, must follow these procedures:

First communication must be between the coaches of the effected teams and their Division Director.

No coach shall contact either directly, or indirectly, any parent or player involved in a possible move prior to a resolution.

All team head coaches involved must be in agreement to any player movement.

If no agreement can be reached amongst the coaches, the Division Director and the Director of Hockey Operations will arbitrate the situation.

The Division Director then contacts and communicates to the player(s) and the parent(s) involved in the move.
- c. Any permanent player movement between divisions must go through the Board of Directors in writing.
- d. A written request by a player/parent to transfer to a higher team will be reviewed by the Board of Directors with the following aspects being considered:
 - The player's skill level
 - Player numbers in each division effected
 - The best interest of the teams involved
- e. Requests for moves to a lower division must be made on the appropriate form and submitted to the Registrar. The President then submits to Lions Gate League for approval.

2. Temporary Movement (call up)

- a. A rep team may call up players listed on its affiliate list per PCAHA rules.
- b. A player can only be called up if they meet regular team obligations as a first priority.
- c. Coaches cannot waive a player's responsibility to fulfill his team obligations and are subject to a disciplinary committee hearing if they do.
- d. The Board of Directors can waive team responsibilities in the event of goaltender injury only

VIII. FAIR PLAY

1. Fair Play (Equal Ice Time) is mandatory in all divisions of recreation hockey (C or House league) and U11 Development.
2. Fair play is in place to ensure that each player gets equal participation in game situations.
3. Ice time lost due to player absenteeism, disciplinary action, injuries, and suspensions does not apply.
4. Any complaints regarding Fair Play should be made in writing to the Division Director. As SMHA is committed to ALL the players, infractions of the Fair Play guidelines will be dealt with on review and may be submitted to the discipline committee.

FAIR PLAY TIPS FOR PARENTS AND SPECTATORS

1. Parents are a vital part of the game.
2. The main expectation of the Fair Play program requires parents to act as positive role models. Yelling negative comments at opposing players, any coach, player or official will not be tolerated.
3. If you are in the stands and the person next to you is being negative, tell that individual that he/she is not only embarrassing his/her son/daughter, but the embarrassment is spread to the team and all other participants on/off the ice.
4. Remember mistakes will be made during any game. Coaches, athletes and officials make mistakes. Be tolerant of mistakes, you are watching AMATEUR SPORTS. Young players are NOT playing to entertain the spectators but to enjoy themselves.
5. If you feel that something unacceptable is happening, volunteer within the Association and participate in order to help correct what you consider to be wrong. Yelling and screaming negatives will only accomplish to isolate you from your friends and your child.
6. The Fair Play program expects parents to understand that all the players want to have fun playing the game of hockey. Parents should encourage this fun in a positive way with praise for your child.
7. The Fair Play program expects parents to maintain a positive outlook towards not only their son/daughter, but to all the teammates and to the opposing players as well. Parents feel good when opposing fans clap for their players and their team. Share that good feeling by clapping for the opposing player or team when a good play occurs.

The Fair Play program encourages your participation in your son/daughter's hockey experiences.

****Respect the Rules.**

****Respect the officials and their decisions.**

****Respect the opponents.**

****Maintain your self-control at all times.**

As a parent, please remember the Fair Play Motto:

"LESSONS WILL BE REMEMBERED LONG AFTER
SCORES ARE FORGOTTEN".

IX. CODE OF DISCIPLINE

1. BULLYING:

Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our members so they can participate in a relaxed and secure atmosphere. Bullying of any kind is unacceptable within our association. If bullying does occur, all athletes and parents should be able to report incidents and know that they will be dealt with promptly and effectively, in accordance with PCAHA, BC Hockey and Hockey Canada Policies.

We are a *TELLING association*. This means that *anyone* who knows that bullying is happening is expected to tell the coach, manager, Division Director or any Board member.

What Is Bullying?

Bullying is the use of aggression with the intention of hurting another person. Bullying results in pain and distress to the victim. It is done to intimidate, coerce, instill fear, control, embarrass or exclude.

Bullying can be:

- Emotional being unfriendly, excluding (emotionally and physically)
- Sending hurtful text messages, tormenting, (e.g. hiding gear, clothing, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic or focusing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumors, teasing

Bullying may be:

- Planned or unintentional
- Individual or group action(s)
- Of an isolated or continual nature

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Athletes who are bullying need to learn different ways of behaving. Squamish Minor Hockey has a responsibility to respond promptly and effectively to issues of bullying. Bullying will not be tolerated, and will be dealt with in accordance with PCAHA, BC Hockey and Hockey Canada Policies.

Recommended Action If You Are Bullied

1. You may try to deal with it yourself - but don't feel you have to, you will be supported
 - stay calm
 - ignore it (use self-talk and remember often those who bully are disguising their own problems) walk away
 - ask them to stop
 - identify a network of trusted adults or peers you can talk to, seek support from your network - it is good to let someone know what is happening
 - *If this does not stop the bullying, persist!*
2. You may choose to confront the person
 - take a support person e.g. a friend, a teammate, or an older athlete.
 - stand up for yourself - let them know how it makes you feel.
 - tell them you don't like what they are doing and you want it to stop.
 - tell them they are breaking association rules that the association will enforce these rules.
 - *If this does not stop the bullying, persist!*
3. You may seek help - you will be supported
 - go to an association official, coach, parent, another adult
 - tell the adult everything.

- *Keep on telling until the bullying stops!*

Procedure

1. Report bullying incidents to the coach, manager, Division Director or a member of the Board of Directors.
2. Coach/adult needs to contact the Division Director immediately.
3. Parents should be informed and will be asked to come in to a meeting to discuss the problem.
4. If necessary and appropriate, police will be consulted.
5. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly.
6. An attempt will be made to help the bully (bullies) change their behaviour.
7. If mediation fails and the bullying is seen to continue the association will initiate disciplinary action.

Recommended Action

If the Board of Directors decides it is appropriate for SMHA to deal with the situation internally, the following procedure should be followed.

1. Reconciliation by getting the parties together. It may be that a genuine apology solves the problem.
2. If this fails or is not appropriate, a small panel (including the Division Director) should meet with the parent and child alleging bullying to get details of the allegation. Minutes should be taken for clarity.
3. The same panel should meet with the alleged bully and parent/s and put the incident raised to them to answer and give their view of the allegation. Minutes should again be taken.
4. The same panel should also interview any witnesses to gather additional information; again, minutes should be taken.
5. If bullying has in their view taken place the athletes should be warned and put on notice of further action (see below). Depending on the severity of the bullying more than a warning may be issued for a first offence.
6. Consideration should be given as to whether a reconciliation meeting between parties is appropriate at this time.
7. All coaches involved with both athletes should be made aware of the concerns and outcome of the process.

Consequences for Those Who Bully

Athletes found to be bullying teammates or members of other teams/clubs may face consequences including:

- Restitution for any damage to property or personal possessions

- Temporary or permanent suspension
- Benching

Any retaliation by athletes, or their parents, against someone who reports bullying will be dealt with very seriously.

Prevention:

- Bullying discussion will be added to initial meeting with coaches.
- Bullying policy will be added to the association's web page.
- Bullying policy will be emailed to all parents at the beginning of each season.

2. SUSPENSIONS:

When suspensions are being considered they must equal or exceed the guidelines as set out by Hockey Canada, BC Hockey or PCAHA

According to the Code of Conduct Consequences Guidelines (Appendix I):

A coach may suspend, for discipline, any player for up to one (1) game. Suspensions of more than one (1) game must have approval of the Disciplinary Committee. All such suspensions must be reported to the Division Director.

Incidents of abusive behavior (physical, verbal or psychological) must be reported to the Division Director or a member of the Board. They will then bring this forward to the Discipline Committee.

Incidents involving use of Alcohol or Illegal Drugs may be reported to the Police.

Incidents of Vandalism and the Instigating of Fighting off the ice must be reported to the Division Director who will bring them forward to the Disciplinary Committee.

3. COMPLAINTS RE: COACHES AND TEAM OFFICIALS

Complaints about a Coach, Assistant or Safety (Trainer) must first be addressed to the Manager in writing. If the Manager cannot resolve the issue, they will bring it forward to the Division Director.

Complaints about a Manager must first be addressed to the Coach in writing. If the Coach cannot resolve the issue, they will bring it forward to the Division Director.

Fair Play concerns should be directed to the Division Director in writing.

4. COMPLAINTS RE: REFEREES AND LINESMEN

This forum of complaints is not meant for coaches or others who do not like the way a referee or linesman called a particular game, nor is it for questioning interpretations of judgment calls.

Any serious concerns by coaching staff or others should be reported, IN WRITING, to the SMHA Referee-in-Chief and a copy to the President. Verbal complaints will not be heard.

X. TEAM FINANCIAL REPORTING

SMHA is a non-profit organization under the British Columbia Societies Act, and is staffed by volunteers. Although we pay our referees, no member or participant may receive a personal use benefit, cash or otherwise, without the written consent of the Board of Directors.

THE BEST WAY TO PROTECT PERSONAL INTEGRITY IS TO ALWAYS OPERATE IN AN OPEN AND WELL DOCUMENTED MANNER.

Uniform procedures for the control of all cash revenues and collections should be followed by all organizers associated in any way with minor hockey activities. It is therefore appropriate and necessary to expect the following:

1. The team manager, or team treasurer, of their respective teams will be responsible upon request to provide parents and the Board of Directors, a Financial Report. In any event, the team manager and/or team treasurer must submit an end of year financial report to their Division Director by March 31.
- ~~2.~~ A separate on ice officials (referee) expense sheet must also be available on request and submitted at year-end.
3. Excess funds in the team account at the end of the season must be returned to SMHA. Excess funds will be used to supplement the Bursaries given by SMHA or will go into a fund to help those families requesting financial support.
4. Under NO circumstances should excess funds be used in ways not allowed under the "Fundraising Guidelines" (Section XV (10)).
5. The Board of Directors can review the financial records of any team. The records must be provided to the Association Treasurer within seven days of verbal or written request by this Association's Board of Directors.

2. Participating teams will appoint a parent to act as their tournament coordinator. The tournament coordinator will work with the tournament director to ensure all volunteer positions, such as timekeeper, score keeper, 50/50 sales and raffle ticket sales, are assigned throughout the tournament.
3. All fundraising and raffles require prior approval from the SMHA Board of Directors.
4. Direct public support can be requested through activities such as candy sales, car washes, hot dog sales, 50/50 draws, etc., provided that they are approved by the Board of Directors. Alcoholic beverages may be used as a raffle prize.
5. Many corporations make substantial contributions to our Association through sponsorship of teams, tournaments, and other Association programs. The Sponsorship Coordinator will provide a list of these corporate sponsors. Teams must avoid approaching these sponsors for additional funding.
6. The SMHA treasurer is responsible for ensuring that Association guidelines and Municipal bylaws are followed. This includes lottery licenses and gate fees. Only the SMHA treasurer can apply for lottery licenses.
7. Any and all fundraising and raffle proceeds above expenses are to go to the hosting team's account. The exception are items for raffle provided by the SMHA, these funds will go to the Association.
8. A final financial report must be submitted by both the hosting team to SMHA within 30 days after the tournament has been completed.

XII. TOURNAMENTS

Minor hockey tournaments offer an enjoyable opportunity for players at all levels to demonstrate their hockey skill competitively in an environment that encourages fair play, and above all, fun. Your Board of Directors encourages all teams to participate in tournaments.

Guidelines are as follows and should be strictly adhered to, with any exceptions referred to the League Coordinator for approval.

All tournament arrangements must be in accordance with all Hockey Canada, BC Hockey, PCAHA, and SMHA rules and regulations.

Teams may enter only officially BC Hockey sanctioned tournaments. Teams require a letter of permission from the President for all tournaments. Out of province tournaments need SMHA Board of Directors approval as well as BC Hockey's permission.

Tournament entry fees are paid through team budgeting and fundraising.

At all times, without exception, good manners and sportsmanship are to be displayed by players, coaching staff and visiting parents, on the ice, in the rinks and elsewhere.

Players and Team Management suspensions received within PCAHA BC Hockey are also in effect when traveling and apply to all tournament and exhibition game activities. Suspensions obtained within these games are continued on return of regular play, if applicable

XIV. DUTIES AND RESPONSIBILITIES OF TEAM OFFICIALS

All team officials must obtain Respect in Sport and other required certifications.

No team shall have more than one team official from the same family or in an intimate relationship with another team official. This includes coaches, assistant coaches, managers and HCSPs.

All adults who are involved in SMHA on an official capacity including

The SMHA Board of Directors requires a high standard of conduct from its team officials in dealing with other coaches, referees, officials, parents, players and the Board of Directors as a representative of SMHA. The team officials are an integral part of the Association and are expected to support the decisions of the Board of Directors and abide by all SMHA Policies.

A. DUTIES AND RESPONSIBILITIES OF COACHING STAFF

The following is a list of items this Association expects from coaches:

1. Coaching at all levels should consist of teaching and improving hockey skills of individual players and promoting teamwork and sportsmanship.
2. It is the philosophy of the SMHA that all participants receive equal ice time. Ice time lost due to disciplinary action, injuries and suspensions does not apply (Rep teams U13 and above are exempt).

6. The coach is responsible to nominate a competent manager with the approval of the Board of Directors and then formally introduced at team/parents meeting.
7. Ice times provided and paid for by the Association must be used or returned to the Ice Scheduler with a minimum 5-day notice. Repeated failure to use allotted ice may result in a loss of that ice slot.
8. Coaches are responsible for checking game sheets for suspensions to participants. Suspensions are automatic and are to be advised by the coach to his/her players. Failure to check could mean forfeiture of that game, future games, and further disciplinary action.
9. The maximum suspension from play that can be imposed on a player by the coaching staff for disciplinary purposes is one game. The Division Director must be advised of all in-house suspensions. Suspensions of more than one game must have the approval of the Discipline Committee. These suspensions must be in accordance with the SMHA Code of Conduct.
10. Any coaching staff member who refuses to follow SMHA Policies can be suspended from coaching indefinitely upon review and recommendation from the Discipline Committee.

15. Coaching staff must work collaboratively with the Director of Hockey Operations (DHO).

B. DUTIES AND RESPONSIBILITIES OF HCSP

An HCSP's primary responsibility is to ensure that safety is the first priority at all times during all hockey-related activities, both on and off the ice. They must play a leadership role in enhancing the safety of players and all others involved with amateur hockey.

The HCSP must obtain and maintain a current HCSP certificate and adhere to those guidelines as follows:

1. Implementing an effective risk management program with their team, which strives to prevent injuries and accidents before they happen.
2. Take on a proactive role in identifying and minimizing or eliminating risks

during all activities and if ever in doubt, erring on the side of caution.

3. Support the coach in promoting and reflecting the values of Fair Play and instill these values in all participants and others involved in amateur hockey.

C. DUTIES AND RESPONSIBILITIES OF TEAM MANAGERS

The team manager is appointed by the coach and following the approval by the Board of Directors, is then formally introduced at the first team parents meeting of the year. The manager then works with the coach and assistant coaches and may appoint parents to other positions such as team treasurer. The manager is the first line of communication for the parents with the team coach and others in the Association. The manager is responsible for calling team meetings and the

organization of parents for team activities and responsibilities.

The manager's duties include:

1. Preparation of a schedule and organization of game minor officials such as timekeeper and scorekeeper.

XVI. FUNDRAISING GUIDELINES

All teams and participants have a responsibility to project a positive image of their team and SMHA. **AT ALL TIMES, THE PUBLIC IMAGE OF THE SMHA MEMBERSHIP, CONDUCT AND APPEARANCE MUST BE ABOVE REPROACH.**

Parents and players may be expected to make direct contribution to meet team and Association expenses through fund raising efforts.

1. Direct public support can be requested through activities such as candy sales, car washes, hot dog sales, etc., provided that they are first approved by the Board of Directors. No direct fundraising can be attained from companies involved in the manufacture and sale of alcoholic beverages, tobacco, marijuana or ecigarettes.
2. Many corporations make substantial contributions to our association through sponsorship of teams, tournaments, and other association programs. The Sponsorship Coordinator will provide a list of these corporate sponsors. Teams must avoid approaching these sponsors for additional funding.
3. All fundraising programs must be well supervised and controlled.
4. All profits from individual team fundraising programs are deemed to belong to the team
5. All plans for team fundraising must be discussed and approved at a parent meeting.
6. Team management is responsible for ensuring that association guidelines and Municipal bylaws are followed.
7. Teams may plan, budget and fundraise only for the following purposes:
 - Tournament team registration fees.
 - The cost of one hotel/motel room for coaching staff at an away tournament, if they are not parents of players on the team.
 - Additional ice time and officiating fees for exhibition games.
 - Post-game nutritional supplements.
 - Team jackets, tracksuits, hats, warm-up gear and/or equipment bags.
 - Rental of a dry land facility.
8. UNDER NO CIRCUMSTANCES CAN teams raise funds for the following items:
 - Any personal hockey equipment.
 - Team meals, other than year-end party.
 - Professional team and individual photographs.
 - Team or individual travel expenses other than the aforementioned coach's accommodation.
 - Tickets to sporting events or other entertainment.
 - Jersey name bars (no jerseys under any circumstance).

These items should be purchased by the players/families on an individual and personal option basis. If a team wishes to make a team purchase the decision must be unanimous.

9. Balance of funds at season end will be submitted to the SMHA treasurer.
10. Should a player leave a team he/she forfeits all rights to any funds.
11. At no time shall funds be returned to a player or parent, unless money was contributed to the team fund at the beginning of the year. Then this money can be returned to families.
12. Teams may use residual funds for a team year-end party.

XVII. UNIFORMS

Variations of socks and jerseys are not acceptable for games and the player(s) should ~~is~~ not to be on the ice unless in the proper uniform provided by the Association.

1. COLOURS

Only PCAHA approved Association colours can be worn.

SMHA colours are black/white/red/grey. White jerseys are to be worn for home games, and black jerseys for away games.

When both teams have similar coloured jersey's, the home team must change uniforms to a contrasting colour (PCAHA Section B (2)b).

All SMHA players are encouraged to wear a WHITE helmet. Rep players are REQUIRED to wear a WHITE helmet.

2. JERSEYS

The Equipment Manager will assign each team a set of black jerseys and a set of white jerseys.

Only Association provided numbered sets may be used. No personalized numbers or jerseys are permitted.

3. MAINTENANCE

These jerseys are very expensive and need to be maintained properly to maximize their usefulness.

Jerseys are NOT to be taken home by team players in the U7 and U9 divisions. A volunteer from each Team must collect, wash and distribute the jerseys for each game.

Teams in U11 and above may choose to distribute jerseys to players to take home, but the Team manager must collect a \$50 deposit per jersey (\$100 total). Checks should be made out to SMHA and postdated to March 15th and will be cashed if the jerseys are not returned by this date. Alternatively, a volunteer from each Team may collect, wash and distribute the jerseys for each game.

They are ONLY to be worn in games.

Jerseys are to be washed in cold water and hung to dry. The dryer tends to shrink the jerseys over time and decrease the life of a jersey.

Only magnetic "C" and "A"s provided by SMHA may be used on jerseys and only in the U13 division and above.

No name bars or sponsorship logos may be placed on the jerseys. If any team wishes to put anything on the associations' jerseys, a request in writing to the Board of Directors must be submitted and approval obtained.

If any jersey needs to be repaired, it is the team manager's responsibility to have the uniform washed and given to the Equipment Manager for repair as soon as possible.

4. SOCKS

At the start of each season every player will be supplied with one pair of SMHA game socks. Rep players will be supplied with two pairs of SMHA game socks.

SMHA socks are an integral part of the uniform and it is expected that these socks be worn for team pictures and all games.

All players should have their own socks that should be used during practices. Game socks are not to be worn during practices.

Socks that expose a player's equipment must be replaced by the player, as all protective equipment except gloves, headgear or goaltender's leg pads, must be worn entirely under the uniform (CHA Rule 24(a)).

Replacement SMHA socks can be purchased from the Equipment Manager.

5. STOP PROGRAM (Safety Toward Other Players)

In an effort to eliminate checking from behind and to improve safety for all players, effective October 31, 1998, all players must have the PCAHA official "Stop Sign" patch visible above the number on the back of their jerseys during a game. This includes reverse colour jerseys that players wear when a conflict occurs.

It is the Associations responsibility to supply and have the Stop Signs on each uniform, however once the uniforms have been assigned and supplied to a team, this responsibility shifts to the team.

Referees will check each player's jersey at the beginning of each game and any player not wearing the regulation Stop Patch shall have their name documented on the game sheet. If the player plays in the game, that player will be ruled as an ineligible player and the team will forfeit any points won. The referee will not be expected to remove the

player or notify the team of the consequences of playing an ineligible player. This is strictly each team's own responsibility.
